		of vot as the first of the firs	
		majority of votes in legislative elections this past April. President Roh also pledged to coopterate with legislative committees investigating corruption and abuses of power during the previous Government—another crucial political issue ment—another crucial political issue against a newly emboldened opposition. At the same time, however, Mr. Roh served notice that the Government would crack down on what he called "revolutionaries" determined to overfurned whemocracy and capitalism. "Activities to agitate for or incite a class revolution and other activities to be forcefully checked according to the law," Mr. Roh said.	
		But President Roh, elected last December in the nation's first free elections in 16 years, sought to allay these fears by pledging to continue moving toward democracy, saying the nation had already ended a ''long, dark and dreadful night." Seeks a Vote of Confidence He said he would submit to a public judgment on how well he was keeping his promises to introduce democratic changes, although he did not say when referendum or vote of confidence has been a sensitive political issue, although opposition leaders in recent weeks have all but dropped their demands for a referendum. They apparently fear that Mr. Roh would win eenly fear that Mr. Roh would win gained when opposition parties won a
